David Stone Ph.D.
Associate Research Director
The Council for Tobacco Research-U.S.A., INC.
900 Third Avenue, New York, NY 10022

Dear Dr. Stone,

I am interested in applying for research funding from the Council for Tobacco Research. My laboratory is studying the molecular biology of blood coagulation cofactors. Please send me any information you have concerning these grants as well as application deadlines. Thank-you.

Sincerely,

W.H.K.

William H. Kane M.D., Ph.D.
Assistant Professor of Medicine
